## SA Contractor Licence Business Criteria Program

### Contractor Licence Business Criteria

In South Australia If you are applying for a Contractor's licence (builder, plumber, gas fitter, electrician) or a Security/Investigation Agent's licence, you, a director if a body corporate, must, have completed an approved business qualification as required by Consumer and Business Services SA. As a registered training organisation CLBC can offer these business units.

For more information visit CBS SA:

[www.cbs.sa.gov.au/assets/LAR/occupational/business\\_criteria.pdf](http://www.cbs.sa.gov.au/assets/LAR/occupational/business_criteria.pdf)

### What You Will Need to Study

You will need to complete 2 accredited units:

- 1. BSBSMB401 – Establish legal and risk management requirements of small business.**  
This unit is ideal for individuals operating a small business who will need analytical skills to interpret legislation and regulations and develop procedures to manage compliance.  
**Cost \$250**
- 2. BSBSMB406 – Manage small business finances.**  
This unit is ideal for individuals who operate a small business and who's role involves interpreting financial reports and other numerical data to develop financial management strategies. **Cost \$250**

### Online Study Option

- Enrol any time and start your studies straight away. You will have access to all readings and assessments.
- Work at your own pace. There is no minimum time frame. You have up to 12 months to finish but many take days or weeks.
- Need support? Our trainers can be accessed via email, phone or arrange a face-to-face session.

### Requirements

To complete your training and assessments you will need access to the internet, a computer, laptop or tablet, an internet browser, an email app and Notepad or a word processor app.
